**STATEMENT REFERRED TO IN REPLY OF PART (a) to (f) OF LOK SABHA  
STARRED QUESTION NO. 352 FOR ANSWER ON 25TH MARCH, 2025**

**“ONE DISTRICT, ONE PRODUCT AND DISTRICTS AS EXPORT HUBS  
INITIATIVE”**

(a) The Districts as Export Hubs (DEH) initiative, launched in August 2019, is aimed at identifying, branding, and promoting products and services from each district in India that possess unique economic potential. The core objective of the initiative is to boost exports by leveraging the inherent strengths and competitive advantages of each district, while also promoting decentralized and inclusive export growth.

Under the DEH framework, products and services have been identified through a consultative process with the respective State Governments and Union Territories, taking into account factors such as existing production clusters, export potential, local specialization, employment generation, and historical or cultural significance of the product.

In the case of Andhra Pradesh, a detailed list of products and services identified under the DEH initiatives, district-wise, is provided at Annexure - A.

One District One Product (ODOP) initiative aims to select, brand, and promote at least One Product from each District (One District – One Product) of the country for enabling holistic growth across all regions.

The selection of products for the ODOP is as per recommendations of the concerned State/UT authorities. Under the ODOP initiative, States/UTs select the products for the ODOP List by taking into consideration the existing ecosystem on the ground, potential for exports, and GI-tagged products. The finalized list is communicated to DPIIT by the relevant Department of States/UTs.

Details of unique products identified (District-wise) under the ODOP initiative as on date from the State of Andhra Pradesh is at Annexure - B.

(b) The ODOP-DEH initiative is presently an ongoing initiative which leverages existing funds under various schemes and does not have separate outlay under the said initiative. The promotional activities are undertaken with existing funds of Department of Commerce, DPIIT and the concerned state government.

(c) to (f) As part of the Pilot Project under the Grassroots Initiatives for Development (GRID) program of Exim Bank, in collaboration with the DGFT, no district from Andhra Pradesh has been included at the Pilot stage.
