Vide letter dated 18.09.2024, RAJSICO has sought permission from the Department regarding change in scope of the project.
- 16.2 The representative of IA informed the newly constructed building at ICD Sanganer, originally intended for air cargo operations, could not be used as planned due to denial of permission by Customs for cargo activities outside the airport premises. To optimally utilize the infrastructure, RAJSICO now proposes to convert the facility into a hub for export-supportive services such as Export Cargo Clearance System (ECCS), e-commerce export facilitation, warehousing, testing, labeling, and customs clearance. Strategically located just 2 km from Jaipur International Airport, the facility is well-positioned to serve as a logistics node for international courier, perishable, and e-commerce cargo particularly benefitting MSMEs

and small exporters. Customs clearance and ECCS operations are already permitted at the site, reinforcing its export potential. Additionally, RAJSICO is in the process of relocating core cargo operations to the AAICLAS building within the airport under a recent MoU, with necessary regulatory approvals [including Bureau of Civil Aviation Security (BCAS)] underway to function as a Regulated Agent. Also, IA informed that RAJSICO handles most of the cargo clearance in Rajasthan and it accounts volume of Export/Import of around Rs. 9000 Cr./year. IA requested to consider the proposal of change in the scope of the project in comparison to original DPR.

16.3 After due deliberation, the EC approved the proposal to changes in the scope of the project and release of balance TIES grant for the project.

C. New Project Proposals

17. Agenda Item No. 14

Proposal: Setting up of Accelerator Mass Spectrometry (AMS) facility for Adulteration Assessment

Implementing Agency (IA): Centre for Aromatic Plants (CAP), (Selaqui, Dehradun)

Total Project Cost: Rs. 29.58 Cr.

• TIES Share Sought:

Rs. 20 Cr.

• TIES Admissible Share:

Rs. 19.52 Cr.

17.1 The EC was apprised that the Implementing Agency (IA) intends to establish an Accelerator Mass Spectrometry (AMS) facility dedicated to adulteration assessment in aromatic, herbal, pharmaceutical, flavor, perfumery, and cosmetic products. This facility is positioned as a critical infrastructure to enable Indian exporters to comply with international certification and regulatory standards.

17.2 The representative of IA informed that the project would be India's first AMS facility specifically focused on detecting adulteration in essential oils, spices, pharmaceuticals, and allied products. The need for such a facility has been strongly endorsed by key industry stakeholders, including the Fragrance & Flavours Association of India (FAFAI), Mumbai and the Essential Oil Association of India (EOAI), Noida, Uttar Pradesh. The IA further highlighted that the project is expected to result in a 10% increase in exports of essential oils, translating into an estimated additional export value of ₹1,000 Crore/year. The AMS facility will operate on a user charge model, with an estimated fee of ₹15,000 per sample, offering significant savings of approximately ₹35,000 per sample in comparison to current overseas testing alternatives.

17.3 After due deliberation, the EC approved the financial assistance under TIES of Rs. 19.52 Cr. for the project. Further, EC recommended to release 1st installment of TIES grant of Rs. 9.76 Cr. for the project subject to furnishing tender documents by the IA.

18. Agenda Item No. 15

Proposal: Development of Mini Tidel Park in Rakkiyapalayam, Tiruppur- Tamil Nadu

Implementing Agency (IA): Tidel Neo Limited

Total Project Cost: Rs. 43.81 Cr.

TIES Share Sought:

Rs. 16.29 Cr.

19. Agenda Item No. 16

Proposal: Development of Mini Tidel Park in Melmonavur and Abdullapuram villages, Vellore- - Tamil Nadu

Implementing Agency (IA): Tidel Neo Limited

• Total Project Cost:

Rs. 32.21 Cr.

• TIES Share Sought:

Rs. 12.36 Cr.

19.1 The EC was apprised that IA proposes to establish a Mini TIDEL Park in Tiruppur and Vellore District of Tamil Nadu and sought financial assistance under TIES.

- 19.2 Further, the EC was informed that under TIES, out of total approved outlay of Rs. 360 Cr. for FY 2021-22 to FY 2025-26, fund of Rs. 6.72 Cr. is available for consideration of new project proposals after considering committed liability under TIES.
- 19.3 The representative of the IA informed that the work has already been started in these projects and there is around 70-80% physical progress in the project in Vellore District and around 90% of physical progress in the project in Tiruppur District. Further, IA highlighted that many Tier-II and Tier-III cities in Tamil Nadu lack adequate and ready-to-use infrastructure for IT/ITeS companies. This presents a significant opportunity to promote regional growth, particularly given the availability of skilled and cost-effective labor in these areas. The proposed Mini TIDEL Park aims to address this infrastructure gap by creating a plug-and-play environment for IT/ITeS firms. It is expected to generate employment opportunities locally and provide a growth platform for MSMEs.

19.4 After due deliberations, the EC approved the financial assistance under TIES of Rs. 6.72 Cr. for the project situated in Vellore District and recommended to release approved fund of Rs. 6.72 Cr. for the project in one installment.

25. Agenda Item No. 22

Proposal: Setting up of Indian Institute of Packaging (IIP) - Lucknow

Implementing Agency (IA): Department of MSME & Export Promotion, Govt. of UP

• Total Project Cost: Rs. 18.36 Cr. TIES Share Sought: Rs. 11.16 Cr

25.1 EC was informed that major objective of the IIP-Lucknow is to conduct education programmes, skill development and capacity building training on packaging technology and help U.P state to develop packaging design and branding. The institute will facilitate the industries in and around the city as well as other districts in U.P.

- 25.2 The representative of the IA requested to consider the project proposal for the financial assistance under TIES.
- 25.3 The EC was also informed that that after considering the committed liability under TIES, no fund is available for considering the new project proposal under TIES.

25.4 After due deliberations, the EC decided to defer the proposal.

26. Lastly, the EC suggested that all new project proposals received under the TIES should be examined at the pre-feasibility stage in consultation with EXIM Bank, to ensure strategic relevance and export potential. Further, Viability Gap Funding (VGF) model may be explored for financing the projects under TIES.

The meeting ended with the vote of thanks to the chair.
